**YOU & CP PLUS: A RELATIONSHIP  
BUILT ON SECURITY & TRUST**

We at CP Plus have always believed that true commitment to quality and passion for innovation is always rewarded. And that is why we have dedicated ourselves to bringing to our customers the best and the most innovative electronic security equipment.

This passion has been appreciated by security specialists around the world. No wonder then today, in over 75 countries, CP Plus is the preferred brand of surveillance equipment.

CP PLUS offers an extensive portfolio of the finest end-to-end imaging, intelligent analog, hybrid and IP video surveillance equipment ranging from CCTV cameras, high-definition IP cameras and speed domes to DVRs, NVRs, Mobile DVRs, NAS, Encoders, Video door phones, Attendance solutions, home automation, accessories and more.

CP PLUS has left no segment unsecured and no application unexplored. From residential and SME to city surveillance, government, institutions, traffic monitoring, railway, airports and buses to banking & finance, retail, commercial, education, healthcare, energy resources, transportation, sports & leisure, manufacturing & industrial, and more.

On behalf of CP Plus I would like to thank each one of you- our partner, our customers and our users. You are the inspiration behind our achievements.

We promise that we will not rest on our laurels but will continue to strive to live up to the trust that you have placed on us.

Thank you.
