Standard Security Camera

1080P
Using the CP Plus Eezo Camera 360

1080P Full HD Video

Designed to represent an enhanced picture quality in full HD video so that every detail can be viewed with vivid clarity and a pixilated video feed can be avoided.

Easy to Connect

This camera by CP PLUS does not even require installation hassles and you can easily place it on a mount, plug it in, connect to the Wi-Fi and you are good to go.
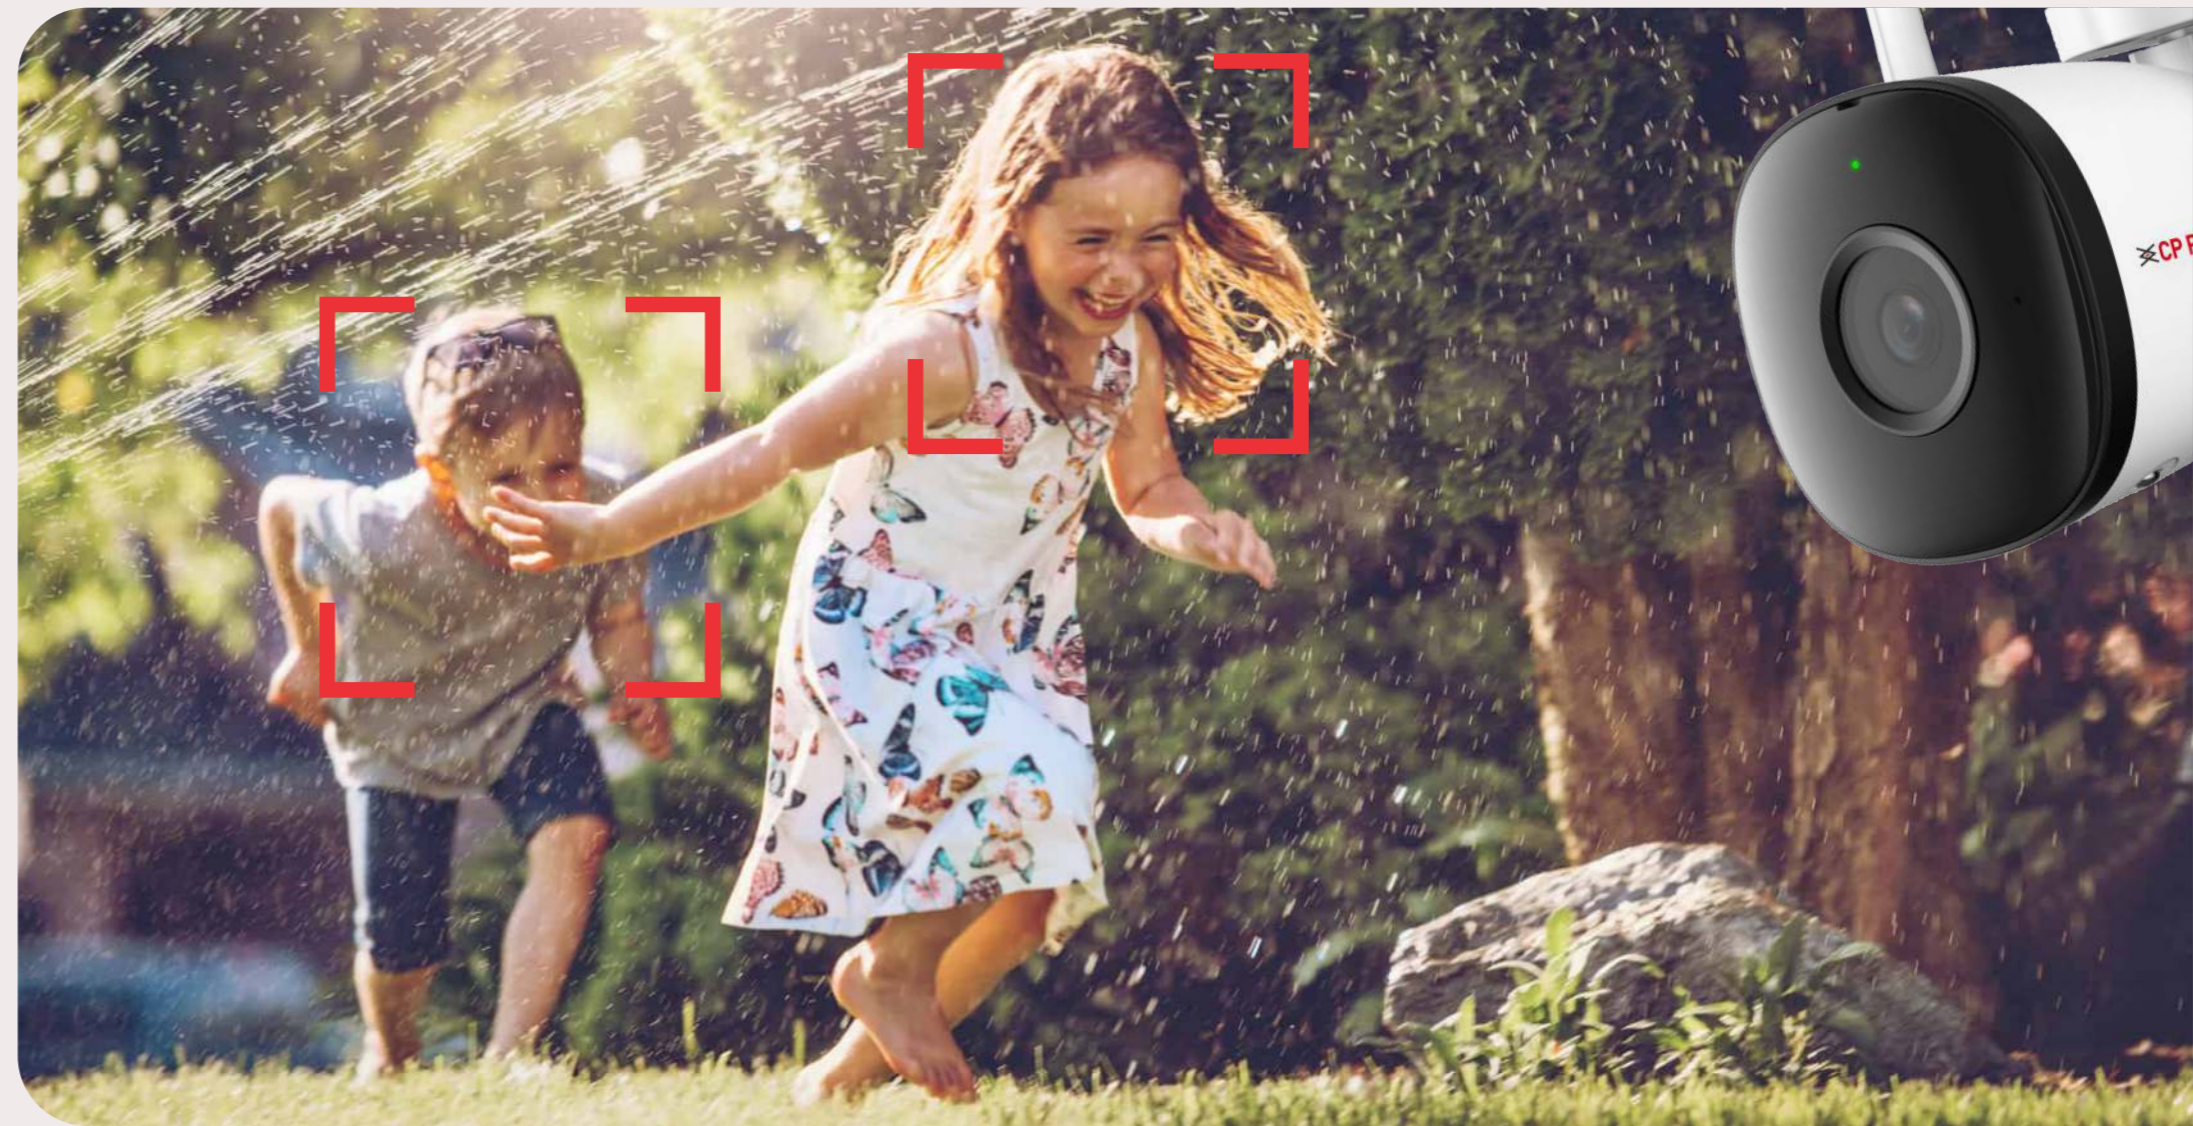

CP PLUS *eeZo*

Motion Detection Alerts

This camera detects movements in the video frame and send alerts in real-time to always keep you not ed about what's happening at home.

Human Body Detection

Designed to provide human detection and intelligent alerts, which means only being alerted only when the need occurs as the camera detects people as opposed to animals, passing vehicles, or other inanimate moving objects.

Full-Color Video

Provides much better video clarity, where every color can be viewed in detail while also enjoying a high-resolution video stream.

Superior Night Vision

Provides full-color video even in low light. Using a bigger CMOS image sensor, this camera offers a wider contrast range allowing shadows and darker areas to be illuminated with perfect clarity as the sensor with bigger pixels collects more light, and more light improves the image quality even in the dark.

Specification - CT21

Features	Specs
Image Sensor	1/2.9" 2MP Progressive CMOS Image Sensor (0.8758cm)
Compression	H.264
Resolution	1920 x 1080 (2MP)
Frame Rate	Up to 20fps
Digital Zoom	16x
Lens	2.8mm/ 3.6mm/ 6mm Fixed
View Angle	2.8mm: 98° (H), 52° (V), 115° (D)
	3.6mm: 86° (H), 45° (V), 105° (D)
	6mm: 51° (H), 29° (V), 59° (D)
Audio	Built-in Mic
Motion Detection	Supported
Human Detection	Supported
Protocol	Onvif
Ethernet	1 x 100Mbps Ethernet Port

Features	Specs
Wireless	IEEE802.11b/g/n
Antenna	Dual
Night Vision	Night Vision up to 30 meters
Configurable Region	Supported
Reset Button	Supported
Storage Mode	Micro SD Card Slot (up to 256GB)
Weatherproof Standard	IP67
Smart Phone	iOS & Android
Casing	Plastic
Power Supply	DC 12V 0.5A
Power Consumption	<3.5W
Working Environment	-30°C ~ +60°C, Less Than 95% RH
Dimension	147.7mm x 74.2mm x 74.2mm
Weight	240g
