ezy lite

EZ-P21 - 2MP Wi-Fi PT Camera

CP PLUS

720P
Standard Security Camera

1080P
Using the CP Plus EzyLiv Camera 360°

1080P Full HD Video

Designed to represent an enhanced picture quality in full HD video so that every detail can be viewed with vivid clarity and a pixilated video feed can be avoided.
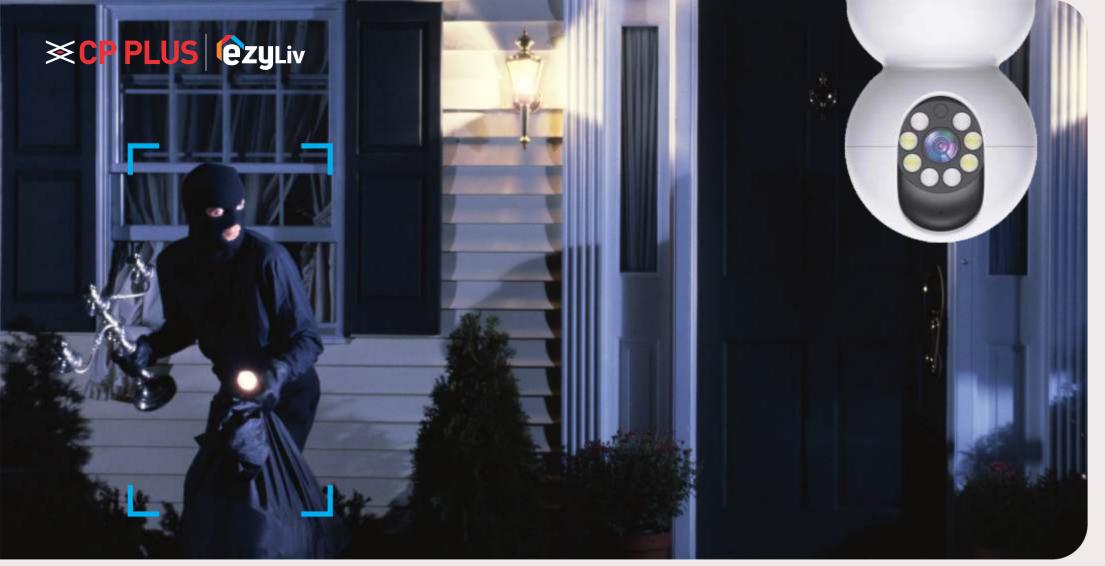

Full color camera

See every detail, even after dark. Designed to capture vibrant colors for clear identification, this camera provides much better video clarity, where every color can be viewed in detail while also enjoying a high-resolution video stream. Identify intruders with ease thanks to crystal-clear night vision.

Motion detection

Designed to provide human detection and intelligent alerts, which means only being alerted only when the need occurs as the camera detects people as opposed to animals, passing vehicles, or other inanimate moving objects.

Supports Motion Tracking

Whenever unexpected motion is detected in the video frame, the camera has been devised to rotate automatically to track the movement of people and record it to investigate later.

In-built Siren

When the camera detects movements in the video frame, the in-built siren automatically goes off to keep you notified in real-time to help you stop intruders effectively.

View & Talk

Enables you to stay in touch with your loved ones from anywhere, meaning you can also talk while viewing the live video feed on the phone.

Specification - EZ-P21

Feature	Specification
Image Sensor	1/4.6" 2MP CMOS Image Sensor (0.552cm)
Video Compression	H.264
Resolution	1920(H) x 1080(V)
Lens	4mm
Minimum Illumination	Color: 0.1Lux, black and white 0.01 Lux
Frame Rate	15fps
Pan/Tilt Angle	Pan: 350°, Tilt: 90°
Motion Detection	Support
Motion Tracking	Support
Audio Compression	AAC, G711
Audio Communication	Two-way Talk (One Directional)
Audio Input	Built-in Mic
Audio Output	Speaker
Wireless	IEEE 802.11 b/g/n

Feature	Specification
Frequency Band	2.4GHz
IR Distance	IR LEDs up to 20 meters
IR LED	4 Infrared LED
White LED	4 White LED
Siren	Support
SD Card	Max up to 256GB (SD Card not included)
Angle of View	H : 52.2°, V : 28°, D : 57.6°
Smart Phone	iOS & Android
Working Temperature	-10˚C - 50˚ C
Working Humidity	<95%non-condensing
Power Supply	DC 5V 1A
Power Consumption	≤3W
Dimension	125mm x 85.8mm x 78mm
Weight	180gm

Applications
