

CP PLUS Makes Headlines in Vietnam with its Technology Show

Noida, February 2017: In elaborate technology shows held in HCMC and Hanoi in Vietnam, CP PLUS, the leading global security brand, showcased its range of security solutions. While CP PLUS holds a strong presence in the CCTV market in Vietnam, this show aims to rivet the brand's presence in the country.

“The Vietnam show has been a huge success. The purpose, which was to introduce our latest range of security solutions, was well received. Visitors expressed their interest in knowing further which made our efforts even more worthwhile. We look forward to hosting more such shows in the future”, mentioned Mr. Aditya Khemka, CEO, CP PLUS.

At the shows, which were held in Lotte Legend Hotel Saigon, GCMC and Novotel Suites, Hanoi, on the 21st and 28th of February, CP PLUS introduced some of its best security solutions. Packed audiences were walked through CP PLUS' story of grit, determination and passion, followed by its wide portfolio of products and solutions, including Analog and HD solutions, IP solutions, tailored solutions for various verticals, its latest SmartTech range of security solutions for the masses, and some feature products such as the professional Body Worn cameras for the forces. The numerous successful projects that CP PLUS has delivered world over, also received mentions at the shows.
