

CP PLUS to Host Technology Show in Indonesia

Noida, April 2017: CP PLUS, India's No.1 security & surveillance brand, is all set to host an elaborate technology show in Indonesia. The show is aimed at updating its partners and SIs with CP PLUS' latest technology and product offerings.

"We've had a great association with our partners in Indonesia. This technology show is being hosted with the aim of apprising them about our latest product developments, technologies, innovations, and offerings. As with every technology show, we're eagerly looking forward to making this an educative and enjoyable meet", mentioned Mr. Yogesh B. Dutta, COO, CP PLUS.

The technology show is scheduled to be conducted on the 27th of April, 2017 at the Hotel Grand Aston from 5 pm onwards. Key technologies at the show would include intelligent IP solutions, edge-analytics supported cameras, auto-tracking PTZ cameras, all-in-one HD analog solutions, mobile DVR/ NVR solutions, Body Worn cameras, thermal cameras, Fish Eye cameras, 4K cameras, and H.265 cameras.

CP PLUS

CP PLUS is the No.1 brand in advanced surveillance and security systems in India. Its extensive range of security solutions and products are monitoring millions locations across the globe in diverse geographies, from highly sensitive defense locations, government buildings, vital infrastructures, transportation, hotels, hospitals, educational institutes to homes with satisfied customer base.

CP PLUS' success is largely attributed to its strong R&D in technology and its customer first market approach, thereby delivering the best value.
