

CP PLUS Alights in Thailand: Makes Waves with its Launch Show

NOIDA, June 2017: CP PLUS, the leading global security brand, recently hosted a show in Thailand to showcase their latest range of solutions. The show was conducted on the 10th of June 2017 at the Hotel Rama Garden in Thailand, and saw CP PLUS walk its audience through some of its best sellers and latest developments.

“It was a great show. On showcase were some of our best selling products and the latest from CP PLUS. The audience was keen to learn about our new technologies, which is an encouragement for us to come back each time with better products and solutions. We look forward to more of such informative and interactive trips; it was certainly a pleasure”, mentioned Mr. Aditya Khemka, Managing Director & CEO – CP PLUS.

Present at the event were more than a 100 CP PLUS premium partners and system integrators from all across Thailand. The show was kick started with an introduction to CP PLUS’ exemplary growth story, post which the audience was introduced to CP PLUS IP, AHD, HDCVI solutions; Time & Attendance solutions; Home Solutions such as Video Door Phone and Intrusion alarm systems; its latest Body Worn cameras for security personnel; Mobile DVR solutions; and Ezykam’s range of compact, Plug&Play cameras.

An elaborate technical session saw Mr. Aman Arora of CP PLUS, educate the audience about the trending technologies followed by Q&A round. The show was wrapped up with a lucky draw where lucky guests won iPhone 7.
