Scaling Heights: CP PLUS Enters World Top 4 Club

NOIDA, July 2017: CP PLUS, the leading global security & surveillance brand, enters the Global Top 4 club as per the latest IHS Survey. Having secured a place in the Global Top7 list just last year, CP PLUS catapulted to the Global Top 4 to kick start a great year. That's not all; CP PLUS has also secured a position in the Asia Top 2 Club (ref. IHS Survey 2017), winning itself critical acclaim in its industry.

"*It's been a story of hard work, dedication and determination. We're blessed to have a great team at work without who none of this would have been possible. Also, our commitment towards serving in the best interests of our consumers is what paid off; our sole focus was to bring value to our customers and we've always been driven towards making it better with the passing time*", expressed Mr. Aditya Khemka, Founder & CEO – CP PLUS.

CP PLUS has secured billions of locations successfully, and boasts of an expansive portfolio of products and solutions, including Analogue, IP, Digital Video Recorders (DVRs), Network Video Recorders (NVRs), Mobile DVRs, Video Door Phones (VDPs), Video Encoders, Video management Software (VMS), among others.

Each product is exclusively designed at the CP PLUS TeknoLogix Labs and manufactured in state of the art manufacturing facilities. Furthermore, all CP PLUS products undergo stringent quality tests to meet international quality standards such as UL, CE, FCC, etc.

Today, CP PLUS range of solutions and products are monitoring millions locations across the globe in diverse geographies, from highly sensitive defense locations, government buildings, vital infrastructures, transportation, hotels, educational institutes to homes with satisfied customer base.
