

Aditya Infotech Introduces SPEEDO - A 24-Hours Resolution Service

Speeding up the performance, bringing smiles for everyone!

Noida, January 2019: Riding high on future-ready technology and an innovative range of products, Aditya Infotech Limited stands deeply committed to its customers. After decades of experience in providing best-in-class services, we are taking another quantum leap with the launch of **SPEEDO – A 24-Hour Resolution Service**, especially designed for our valued channel partners. This program aims to augment customer satisfaction to a higher level and enhance the service delivery process across Pan-India.

According to Mr. Yogesh Dutta, COO, Aditya Infotech Limited, “Being a technology-driven enterprise, customer satisfaction is paramount for us. Our products & solutions are increasingly customer-centric and therefore, we have launched the SPEEDO service to walk a step further in customer engagement, thereby working to strengthen the bond with our channel partners. As industry leaders, we think that Security and Surveillance has an immense potential in the Indian market. Our major focus is now on delivering an exceptional product quality and achieving the highest standards of customer satisfaction.”
