

CP PLUS' Elaborate Showcase at INTERSEC 2018

NOIDA, January 2018: CP PLUS, the leading global security & surveillance brand, staged an elaborate showcase at INTESEC Dubai 2018. Hosted at the Dubai International Convention and Exhibition Centre from 21st to 23rd January 2018, the 3 day event saw more than 1300 exhibitors and thousands of security patrons come together under a roof. CP PLUS put up a grand showcase with some of its best products on display.

“Despite being a part of this show for many years now, INTERSEC still holds the same excitement and energy for us. This time around, we had some distinct solutions on display such as the BodyWorn solutions for the armed forces, paramilitary forces, and other security forces; 4K Ultra HD resolution for detailed imagery; intelligent and integrated software solutions; and cloud based solutions among others”, mentioned Mr. Aditya Khemka, MD, CP PLUS.

CP PLUS showcased some of its latest innovations, including integrated software solutions with advanced analytics; 4K high definition surveillance solution; Video Door Phones; Time & Attendance solutions; Home on Phone solutions that offer a range of compact cameras that offer hassle free surveillance on your smartphone; PoE switches; BodyWorn professional security solutions; and Mobile Vehicle surveillance solutions.

With its innovative range of security solutions on display, the CP PLUS arena saw a packed audience throughout the 3 days of the exhibition, and also received immense appreciation from the security patrons present, thereby concluding another successful show at INTERSEC Dubai.
