## Smart Home **Wi-Fi Cloud** Security Camera

**E28A** - 1080P Full HD Video

**NOW**

720P  
Standard Security Camera

1080P  
Using the CP Plus Ezykam+ Camera 360

## 1080P Full HD Video

Designed to represent an enhanced picture quality in full HD video so that every detail can be viewed with vivid clarity and a pixilated video feed can be avoided.

## Easy to Connect

This Ezykam+ by CP PLUS does not even require installation hassles and you can easily place it on a mount, plug it in, connect to the Wi-Fi and you are good to go.

## Motion Detection Alerts

This camera detects movements in the video frame and send alerts in real-time to always keep you not ed about what's happening at home.

## 360° View

The camera rotates full 360°, making it convenient for you to view the room from every angle and keep an eye all over the place even when you are away from home.

## View & Talk

Enables you to stay in touch with your loved ones from anywhere, meaning you can also talk while viewing the live video feed on the phone.

## Privacy Mode

Using privacy mode, you can block the camera view & recording of a specific area of your choice to maintain privacy.

# Alexa and Google Supported

Works with Alexa & Google Home so you can go hands-free and command the camera with your voice while enjoying the safety of a smart home.
