---

**Indore, January 24, 2019:** CP PLUS, the leading Security and Surveillance solutions provider in India, proudly co-sponsored the largest **IT and Automation Exhibition - FONOCOM 2019**, which was held between 24<sup>th</sup>-27<sup>th</sup> January 2019 at the Abhay Parshal, Indore. A never-experienced-before array of Intelligent Surveillance solutions were showcased by CP PLUS, which drew attention from a diversified customer base, consisting of channel partners, distributors and end-users; getting hands-on experience of intelligent surveillance solutions engineered exclusively by CP PLUS.

On this occasion, Mr. Yogesh Dutta, COO - CP PLUS candidly expressed, **“We are happy to be a co-sponsor of the FONOCOM Exhibition 2019. It’s an excellent opportunity for us to penetrate CP PLUS’ Intelligent Surveillance Solutions deeper into the Indian market. We received an over-whelming response from the crowd and our tailor-made security solutions were highly appreciated by the customers. CP PLUS pavilion showcased Home Security solution, Intelligent Network Solution along with Artificial Intelligence-driven Surveillance technology alternative. This event also gave us a chance to interact with specialized Indian IT firms to ascertain technology partnerships for future. I think, FONOCOM is the right platform to showcase a wide range of products for customers and collaborate for lucrative technology partnerships.”**

By co-sponsoring the FONOCOM 2019 Exhibition, CP PLUS covers another mile from its ambitious plan of expansion in India, aiming to tap the underlying potential of the security market in the country. Some of the key solutions showcased during the FONOCOM 2019 exhibition at the CP PLUS pavilion - **Attendance Management System; Home Solution with VDP and Multi-Villa Apartment Solution; Analog HD Solution; Artificial Intelligence; Intelligent Network Solution; Transport solution.**
